

DIVANI GLIDER

Computer controlled injection molded cold-cure foam ensures ergonomically correct seating and comfort throughout all areas of the chair. / The headrest is height adjustable for perfect fit.

Adjustable head and neck support gives you an ultimate comfort in all seating positions.

The interior steel frame with sinuous springs encased in cold-cure molded foam ensures correct back and lumbar support.

Built with the solid hard wood and steel frame and use of computer controlled injection molded foam IMG guarantees superior quality and durability.

Effortless reclining and adjustable back rest angle as your heart desires.

Integrated footrest. The footrest can easily be unfolded by using the handle. To fold it in you should use your feet to press the footrest down towards the chair and move your body weight forward while seating.

The advanced mechanism offers both gliding function and 360 degree swivel. The mechanism is delivered from the largest supplier of integrated footrest in the world.

Strong, stable and solid MDF base.
